December 4, 2021

Dear Bethlehem Community,

Since March 2020, Bethlehem Lutheran Church has operated out of care and concern for the most vulnerable in our community in determining how we gather as a congregation. As you have likely heard, Monroe County is currently an area of high community transmission for Covid-19. We are aware of a number of known Covid cases within the Bethlehem community and we have been notified that one person who attended worship on Sunday, November 28, has tested positive for the coronavirus.

Because of the ongoing danger of this virus, we encourage all people who are eligible to get vaccinated and obtain boosters, as needed. We continue to ask people to wear masks when moving through the Bethlehem facility and require them in worship gatherings and other high-risk activities, like musical rehearsals. We continue to prohibit sharing food indoors at church.

As an expression of care for others in the Bethlehem community, we ask you to refrain from attending in-person events if you are sick or have symptoms related to Covid. We continue to offer the opportunity to participate in worship through a livestream each Sunday morning. Worship services are aired at 8:55 am on Sunday morning on Facebook, YouTube and through our Bethlehem website (www.blcfairport.org).

In Christ's Peace –

Rick Walker
Council President

The Rev. Amy Walter-Peterson
Pastor

The Rev. Abigail Zang Hoffman
Pastor
