

The Fairport Field Hockey Teams, JV and Varsity, will host a home game (Fairport High School, Dave Paddock Way) on October 6th at 7:15 against Hilton to recognize Breast Cancer Awareness month. Players will wear pink jerseys, pink socks in honor of people living with and recovering from breast and gynecological cancer. A financial donation raised through fundraisers throughout the season will be given to our local Breast Cancer Coalition. We will also be receiving donations until October 5th to contribute to the PALS bags. These bags are so important and appreciated to newly diagnosed breast and gynecological cancer that have a long journey ahead with treatments. These bags are given to newly diagnosed individuals as a form of comfort in their time ahead with treatment. Please consider donating any of the following items the Coalition is in need of for the PALS bags. A box will be available in church until **10/5** to leave your donation or items can be dropped off in a tote on the front porch at 7 Folkside Drive (near the high school) or 17 Nettlecreek Rd. tote by the garage.
